WHY ARE YOU SEEKING AN ADULT VS A PUPPY?:

By applying for consideration of a Rescue Dog, or Retiree, you do so with the understanding that adult dogs are more established in their environment and accustomed to certain daily routines. Making big changes and leaving home can be scary; adjustment and bonding time will likely take longer than that of a young puppy. You promise, in advance, to be patient while allowing your new pet to become acclimated to you and your home. Further, you will agree to provide any training required through positive reinforcement methods. If you are unable to provide appropriate care or to keep your dog for any reason, he, or she, will be returned to us. Adoption fees are not refundable.
